

**APRIL 15, 2009 - FOR IMMEDIATE RELEASE**

**Brand New Sudsy's Car Wash is Giving \$2 of Every Premium Car Wash Through the End of April to the American Red Cross to Aid in the Tornado Relief.**

Since opening its tunnel doors in Murfreesboro, TN on February 1, 2009, Sudsy's Car Wash has promoted themselves as "...proud to call middle Tennessee home." They are a family owned and operated business and consider it their responsibility and privilege to give back to the community. Little did they know that an unfortunate opportunity to practice "giving back" was just around the corner.

On April 10, 2009, a tornado swept through Rutherford County leaving devastation, injury and even death in its path. When all was said and done, the EF-4 tornado with 166 to 200 miles per hour winds was 23.5 miles long and a half-mile wide at its widest point. It destroyed 81 houses and damaged over 800. Damage is estimated at more than \$41 million. Over 80 people were injured and two were killed.

To assist the Rutherford County Community, Sudsy's is giving \$2 of every premium car wash through the end of April to the American Red Cross to aid in the relief efforts.
